New Business:

**Nomination for Congregation Council:** Elise Spays is the only outgoing member. The congregation thanked her for her service on Council. There were no preselected nominees for Congregation Council. Elise Spayd opened nominations from the floor. Jeff Reis was nominated by Cindy Reis. Dave LaMotte moved to accept Jeff as a nominee. Cheryl Kraemer seconded the motion. The motion carried. This constitutes a six-member Council.

**Proposed Budget for the Work on Ministry in 2025:** The proposed 2025 budget is presented by the Finance Chair Annette Roth, Treasurer Brad Albright and the Finance Committee members. The budget is presented on pages B1 – B5 of the Annual Report. Discussion was had about state of the finances. The budget for 2025 has a deficit of approximately \$31,202.

The Budget Proposal comes as a recommendation from the Congregation Council and therefore does not need a motion. The 2025 Budget is adopted as presented.

Good of the Church:

In appreciation of their faithful work of ministry in daily life and in the life and mission of St. John's Elise Spayd expressed gratitude to everyone who helped support her during her tenure as Council President and thanked the following people who have helped accomplish God's work at St. John's this past year: everyone who helped prepare and serve the meal for this year; the Staff, Congregation Council, Volunteers, Committee Chairs and Members, all the Members of St. John's.

There being no further business, the meeting was adjourned at 11:30 am with a closing benediction from Pastor Woody.

Brad Albright  
Council Secretary

## Interim Pastor's Report for 2025

We have a congregation that continues to be strong and intentionally moving forward. New people are joining the congregation. Mission activities are the focus of much of our outreach work. Our Sunday School and Confirmation classes deliver bright and smiling faces. Worship attendance is strong and our worship services continue to deliver great organ and choir music. We are uplifted by our worship and go out into the world energized to do God's work. Even though we are under Interim status, our congregation has not slowed down or diminished in our dedication to being God's hands in Emmaus, our larger community and around the world.

**Worship:** Attendance at worship is strong and by the sound level, people like being in church together. We have maintained a good level of participation in singing and doing the Liturgies. On a Sunday in November, we had 112 in Worship. We have exceeded attendance expectations on Christmas and Easter. Tim continues to support and encourage the Choir and Bells as they provide good music for our Worship. I enjoy having the children come forward and doing a "Children's Sermon" with them. The candy is a real hit.

**Christian Education:** This year I did several sessions with the Confirmation Class taught by Jane Harps and Faith Drescher. Sunday School is active on Sunday Morning with happy children. We are doing better than a number of churches around us are able to do. Vacation Bible School went well with many neighborhood children in attendance.

**Events:** We were able to have the German Service in 2025. The service was well attended, and we are hoping the same will be true in 2026. Reformation and All Saints Sundays lifted our Spirits.

I continue to spend two days per week in the office taking care of administrative issues and hospital calls. As needed, I also visit shut ins and people requiring a visit. I mainly work with the Worship Committee, Confirmation and Council. My goal has been to make sure that there continues to be a pastoral presence at St. John Church. I have committed to being with you through September 2026. I am open to extending my time with you, if necessary. Looking at possibilities for the future, we are considering a variety of options for pastoral leadership. The Good News is that God never abandons us but always walks beside us in our journeys.

## **Director of Music Ministry**

We have been blessed as a congregation to have yet another year in which to offer praise to God with music! With the support of the Worship and Music Committee, we all strive to keep the church music programs active and look forward to their continuance.

The hand bell and adult choirs both continue to remain active. Each choir is filled with dedicated and patient people who invest many hours of their time in rehearsals. The hand bell choir continues to use the additional bells bought by using donations from the memorial fund. This past season, many new choral pieces were purchased to keep the choir up to date on new music which is both interesting and shares a good message through the lyrics. Outside musicians have also been able to be a part of the services at St. John's in part to the generous donations to the music fund, a separate fund outside of the churches music budget.

The churches instruments are in good working order and have been maintained including a few repairs to the organ pipes, which has been minimal considering their age. The Sanctuary piano, purchased as a second-hand instrument, will need to be voiced in 2026. Jon Zeiner Jr. assessed the piano and reported it is in very good condition. At the year's end, both piano and organ were cleared of any flaws by the technicians. The organ pipes continue to adapt nicely in the two pipe chambers by allowing more air circulation into the two areas.

Thank you to all choir and hand bell choirs in their continued dedication to leading our church through music and song.

Timothy Ginder  
Director of Music Ministries & Organist

## **Council Report**

Even without a designated Council President this year, each member stepped up, shared responsibility, and worked collaboratively to keep our mission moving forward. The absence of a single point of leadership didn't slow us down—in many ways, it strengthened our teamwork. Together, we stayed focused, supported one another, and accomplished work for the good of the church.

There were 11 council meetings and several joint meetings with the call committee and synod to discuss the call process.

We are blessed to have had Pastor Woody and Linda continue to serve throughout 2025. We appreciate your guidance during this time and appreciate your work to set us up for success in the future.

Thank you to the committees whose work turned vision into reality and helped our church live out its mission with purpose and joy.

Respectfully submitted,

Brad Albright

## **Worship and Music Committee**

The Worship and Music Committee met regularly throughout the year. The members of the committee include Pastor Maxon, Faith Drescher, Annette Roth, Kathy Mintzer, Tim Ginder and Peg Duelfer.

Thank you to the following people who serve as coordinators for the area of service noted: Acolytes and Gift Presenters; Faith Drescher; Altar Guild, Annette Roth; Communion Assistants, Kathy Mintzer Thank you, Dave LaMotte, for assisting with lectors and Rebecca for scheduling Eucharistic Ministers.

Special thanks to Tim Ginder who leads our Music Ministry. He has done an amazing job of week to week behind the scenes work, choir rehearsal, bell choir rehearsal, and all the special music that he adds to make our Worship meaningful.

Pastor Maxon has been a true blessing to St. John's, and we thank him for his continued commitment to keep our church alive! Thank you to Linda Maxon for sharing her wonderful husband with us. Many thanks to Tim Ginder and Rebecca for all their work in completing the weekly tasks of preparing the bulletins. So many things can be accomplished when working as a team.

The Call Committee has now completed all tasks in the Call Process and is prayerfully waiting for any news from the Synod. In the meantime, Pastor Maxon has reached out to "form" an Ecumenical Community with surrounding churches. We will all help each other in keeping St. John's vibrant.

Last year's German Service was an amazing success. Over 125 people attended. The German Community could not have thanked us more for such an inspirational service. Yes, there were mistakes in the German language that we are working on for this year. And the cookie fellowship... need I say more. If you missed this year, please put us on the calendar for next year.

Submitted with Hope for a bright future,  
Kathy Mintzer

## **Worship Volunteers**

### **Acolytes**

Thanks to those confirmation students who serve in worship as acolytes. We are blessed to have 6 post confirmation students who serve occasionally when asked and are available. The acolyte's specific duties continue to be lighting and extinguishing candles only – including those for All-Saints Day and pew candles for the Christmas Eve and German services. On Festival Days acolytes also may carry the processional cross and/or Bible and assist the Pastor by holding the Bible during the gospel reading and holding the Pastor's book during a Baptism. Acolytes are invited to sit with their families after lighting the candles until they become comfortable staying in their bench in the chancel for the entire service. Students who are not yet confirmation age but attend church and are interested, can and do acolyte with a parent or church adult friend and then sit with family.

We're still working on a photo board to be posted in the Sacristy for a quick reminder on a Sunday morning as to the order of candle-lighting and extinguishing. This is available in email form thanks to Jessica Becker, parent of 7<sup>th</sup> and 9<sup>th</sup> grade daughters Avery and Olivia, who also acolyte.

Thanks to the families of all the acolytes who provide the support and encouragement needed for these young people to be able to serve. In addition, thanks to everyone for your flexibility and understanding. Life demands and interests make it harder and harder to schedule.

Thanks also to Joe Harps who creates sign-up genius which hopefully has made it easier for families to select a date for their student to serve.

Respectfully submitted,  
Faith Drescher - Coordinator

### **Advent Wreath Readers and Lighters**

Thanks to all who continue to accept the call to serve as Advent wreath Readers and Lighters. This is an opportunity for families and friends to serve in worship. All that is needed is to commit to attend worship on one Sunday in Advent, come forward to lead the congregation in the short Advent Blessing, light the Advent Candle(s) and return to your seat.

Respectfully submitted,  
Faith Drescher - coordinator

### **Altar Guild**

Our small group of volunteers continues to be busy preparing for our weekly Sunday service. This year we tried "rolling out" the decorating of the church for Advent & Christmas so it would not be hectic decorating on the last Sunday of Advent. This procedure worked well in conjunction with the Church's preparation of the birth of Christ.

If you are interested in joining, contact Annette Roth. There is no big commitment when you join, only a few Saturdays & Sundays during the year.

Respectfully submitted,  
Annette Roth – President

## **Communion Assistants**

Are we all getting older? They say time flies when you get older, but I never imagined it would go this fast. Another year has passed and I would like to thank all the folks who volunteer their time to serve as communion assistants. We never realize how important a task is until we stand next to the Pastor and remind all what Jesus Christ has done for us. May his sacrifice continue to give us the strength to walk in his light and continue with the words.... Follow Me.

If by any chance you are interested in this vital part of the Service, please contact me or the Church Office.

Faithfully yours,  
Kathy Mintzer  
Communion Assistant Coordinator

## **Eucharistic Ministers**

St. John's Eucharistic Ministers are lay people and one pastor, who have been trained to visit homebound members and share communion with them. These volunteers visit each person monthly on a rotating schedule to offer not only the sacrament, but in-person contact and fellowship as representatives of our congregation.

We are grateful for the Eucharistic Ministers- Faith Drescher, Deb and Dennis Herman, Sandy Kulp and Pastor Roger Timm continue to serve as ministers. Thank you for your time and dedication to this ministry.

Respectfully submitted,  
Rebecca Williams, Eucharistic Ministry Coordinator

## **Flower Delivery**

This year church members have been called on to volunteer to select the dates they are able to serve and to help prepare and deliver the altar flowers to our homebound and hospitalized members. Those who sponsor the flowers also have the option of taking their flowers with them after the service and even requesting who they would like them to be delivered to. This ministry, an extension of care and connection for folks who are unable to be present at worship, is valued and appreciated. The sign-up sheet is on the bulletin board near the Parish Hall. Please sign up when you can to support this shared ministry of care. Many thanks to our delivery folks.

Respectfully submitted,  
Faith Drescher - Coordinator

## **Gift Presenters**

I am always looking for volunteers to bring the elements forward; families, friends, and congregants can all share in this simple yet meaningful and important part of worship. If you attend worship, you can move to the back of the church toward the end of the Peace, then walk forward and then back to your seats - you are hired! There's no speaking or preparation involved.

Respectfully submitted,  
Faith Drescher - coordinator

## **Lector**

St. John's Lector's are a dedicated group of volunteers who read the lessons at weekly services as well as Advent, Christmas, Lent, Easter, and other special services. In 2025 two new folks became lectors – Rebeca Amidon and Tiffany Fenstermacher – welcome!

A sincere thank you to those faithful volunteers for their commitment of time and talent as well as Rebecca Williams, St. John's Office Administrator, for her help in getting the readings to assigned lectors each week.

If you are interested in becoming a lector, please contact me at [mafreer@ptd.net](mailto:mafreer@ptd.net) or Rebecca at the Church office.

Respectfully submitted,  
Maryann Freer  
Lector Coordinator

## **Prayer Chain**

This is a ministry to those who request prayer. Members are asked to check e-mail daily. Once a request is received, you include it in your daily prayers. Although these intercessory prayers are often for immediate and specific needs, we also offer prayers of praise and thanksgiving. I try to be as timely as possible. The last half of this year has been difficult for me to compose emails; not sure why. I certainly made sure prayers were passed on, probably far too informally, and that Rebecca was kept up to date for Care Notes. Much thanks to her for compiling the Care Notes for inclusion in the weekly bulletin insert so that all in the congregation can join in prayer.

Prayers are offered for anyone in need, not just church members. There is no limit to the number of people participating in this ministry of praying for others/intercessory prayer. Folks find comfort in knowing others are praying for and caring about them. We pray with confidence to our Lord that he listens to and answers our prayers. I John 5:14-15. Please do contact me if you would like to participate. All are welcome.

Respectfully submitted,  
Faith Drescher – coordinator

## **Christian Education Committee**

Mission: To provide a lifelong program of Christian education that will enable members of all ages to learn the Scriptures and Lutheran teaching and apply them in their daily lives.

Members: Mary Bealer, Karen Brokate, Faith Drescher, Michelle Killino, and Elise Spayd  
Here are some of the highlights of the past year.

- Sunday School students, ages 4 to fifth grade, met weekly to learn and grow in their faith. Students collected pet food for a local animal food bank. Third graders received their bibles in October.
- Confirmation class, a 3-year commitment for students in Grades 6-8, continued to meet weekly. This is a time for building relationships and continuing their faith journey, culminating with Confirmation at or around Pentecost at the end of the 3rd year. Five students were confirmed this year. We are fortunate that Pastor Woody has provided guidance and has continued to help with confirmation.
- Vacation Bible School, “Road Trip- On the Go with God,” was a big success. There were about 25 students and over 30 volunteers who were invited to remember “The Lord our God is with us wherever we go”. We were grateful to partner with Holy Spirit again to design, prepare and share decorations to transform our respective church spaces. Students and Staff brought in donations for Groceries Plus at Bethel Bible. Thank you to the congregation for your donations and support in making this another successful year.
- Confirmands, Sunday School students, and members of the congregation participated in CropWalk in October. The group of 24 walked through Emmaus during the Sunday School hour and raised over \$750 with support from the congregation.

Thank you to all the volunteers, teachers, helpers, committee members, and Thrivent representatives, who gave their time and talents to keeping the Christian Education ministries going at St. John’s.

We are always looking to grow with new ideas and volunteers. Please reach out if you are interested in being a committee member or volunteer.

Respectfully Submitted,  
Karen Brokate

## **Bear Creek Camp**

Bear Creek Camp is an outdoor ministry of the Northeastern and Southeastern PA Synod of the ELCA, located on nearly 3,000 acres in the Pocono Mountains. The camp provides year-round experiences: Summer Residential Camp including Try Camp, Nature Day camp, Environmental Education programs, July Family Camp, Labor Day Family Camp, an Artist in Resident Camp for adults and outside group rentals. There are also weekend retreats during school breaks, especially at Christmas for Middle and High School students. We at St. John's are thankful for the Foerster- Bray Endowment fund that is available to assist families by providing a stipend of \$200 per camper for a week of summer camp. There are also select weeks for kids grades 1-3 to try camp for a partial week – Sunday -Wednesday. Other financial aid from Bear Creek is also available.

Please check the Bear Creek website and Facebook page at [www.bearcreekcamp.org](http://www.bearcreekcamp.org) to sample some of that camp spirit. REGISTRATION FOR SUMMER CAMP BEGINS JANUARY 5, 2026.

If you have any questions, need more details and/or would like to hear some camp stories, contact Bear Creek Ambassador Marlea Landis.

Faith Drescher

## **Property Committee**

The Property Committee is responsible for the care and maintenance of the church building and grounds. Here are some highlights of the committee's work in 2025:

- We have been involved with the rental property, which the church has, by having the items in the basement removed from there.
- We have been looking into getting a new projector for the Parish Hall, we have contacted a few vendors.
- We have been looking into removing the tree from the front of the church, we have contacted a few vendors.
- We have fixed issues with exhaust fans in lower bathrooms.

The committee also deferred some maintenance projects due to budget constraints. These projects included electrical repairs, repairs to shades in the Parish Hall, and others. The committee also expresses thanks and gratitude to our custodian, Brian Dunton, for his tireless devotion to caring for our beautiful church building.

Matthew Berner  
Committee Chair

## **GIFT Committee / Parish Life**

Another year of fun events included Fellowship, which took place on the second Sunday of each month. Food has always brought people together and is good for the soul.

We celebrated a delightful German Christmas on 1/5/2025 with a well-attended service and a cookie fellowship afterward. Many parish bakers contributed, and some guests brought desserts to share. The East Penn press even covered the event.

On 2/22/25, we enjoyed a fun night with Potluck Bingo. Members of all ages came for food, games, and socializing.

Our night out at a Phantoms game on 2/26/25 was exciting. It was Melvin's birthday, and they won! Plus, a few members rode the Zamboni.

Our annual Egg Hunt took place on a chilly, sunny Palm Sunday morning, bringing smiles to our Sunday school children and neighborhood kids. We had about 1,000 eggs filled for the children to find.

We held our first-ever Community Yard Sale on the front lawn of the church. Shoppers showed up in great numbers, and our bake sale was a hit. Special thanks to our amazing bakers.

We returned to the Triangle in Emmaus for the Farewell To Summer day. Many visitors came to our tent for games, crafts, and prizes. We also had a great location this year.

Our spectacular Spaghetti Dinner on 9/27/25 was a success, with around 140-150 guests. The confirmation students did an excellent job serving and cleaning up.

We hosted our annual Halloween Parade Watch Party on 10/18/25. Potluck food was served, and we had great weather for watching the parade. I saw many familiar faces and smiles.

We will be at the Triangle in Emmaus for Old Fashion Christmas on 12/6/25. We'll have a tent with crafts and homemade Christmas cookies for sale. We hope for great weather and lots of fun.

Many bakers are lined up for the German Christmas on 1/4/26 to help with our cookie fellowship after the service.

The mission statement that had been developed for the GIFT (Growing in Fellowship Together) committee is as follows:

GIFT's purpose is to plan and promote a variety of activities and events that build relationships among St. John's members, visitors, and guests to educate, excite, entertain and engage members in support of important causes. Events can be large or small and be held at St. John's or in our community. Gatherings can be designed to appeal to all ages or focus on one primary group. The GIFT team selects key events throughout the year but relies on St. John's members to assist in planning or volunteering at these events.

## **People Over Fifty (POF)**

POF (People Over Fifty) met nine times in 2025 on the second Wednesday of the month at 11:30am in the Parish Hall for lunch and fellowship. January and February's meetings were canceled due to extreme cold/icy conditions. October was canceled due to a scheduling conflict.

Anyone over 50, or anyone accompanying someone over 50 is welcome. Attendees bring a canned good or small household item for the prize table and a donation of \$4 to cover the cost of lunch. Food bank donations are always welcome.

Attendance in 2025 ranged from 9-12 people. Highlight of the year was our annual Christmas gift exchange.

Call Sharon at 303-956-6289 at least a day before the meeting if you'd like to attend or have any questions.

## Stewardship Committee

The Stewardship Committee had another eventful year this year. To continue with our theme in celebrating *A Century of Giving* our theme for 2025 was *"A Century of Giving and Beyond"*.

Our Newsletter articles this year were related to managing God's gifts – time, talent and treasures – responsibly and with gratitude and using these gifts to serve and love God and others.

Thrivent Members can continue to have a say in Thrivent distributions to charitable funding by directing Choice Dollars to causes they care about. St. John's received \$907 in Choice Dollars in 2025. Thrivent Team grants were used for fundraising events such as the Celebration Sunday luncheon, Spaghetti Dinner, KFC, Food Bank, and Vacation Bible School in 2025.

The Initial Offering Envelope reflected an \$8.00 cost this year. The total dollars received this year from the Initial Offering Envelopes was \$414.00.

A thank you note to those who give to St. John's was prepared and mailed along with their statements. This was a nice way to say thank you to those who contributed.

Time & Talent update – The Time & Talent Response Sheets were handed out at our June Fellowship and during the Celebration Sunday luncheon, as well as, including a copy in the October newsletter asking members to complete and return so that we have up-to-date information.

Celebration Sunday is the Stewardship Committee's way of thanking the congregation for a good year of time, talent and treasures. The fellowship gathering and great food makes it a festive time for everyone.

Our theme for 2026 is *"Helping Hands Make A Difference."* This theme reflects love, hope, caring and helping through time, talent and treasures. The Bible emphasizes that it is more blessed to give than to receive and this is demonstrated through actions of love and service.

Thank you all for your time, talent and treasures and support of the Stewardship Committee. The committee consists of Susan Buchman, Bob Cleaver, Joan Gooch, Jane Harps, Judie Herb and Deb Herman. Without their hard work we would not be able to accomplish all that we do.

Also, a special thanks to Rebecca Williams, Brian Dunton, Anna Galante, and Pastor Woody. We are most grateful for their help and hard work.

Respectfully submitted,  
Diane Felegy  
Stewardship Committee Chairperson

## **Support the Troops**

The USO strengthens the well-being of the people serving in America's military and their families by keeping them connected to family, home and country, throughout their service to our nation. St John's members continue to generously support the Philadelphia airport USO, providing snacks for guests. The center moved into a new facility in October, providing guests with new accommodations to relax while traveling.

Cheryl Kraemer

## Outreach Committee

The Outreach Committee listens, discusses, visions, initiates, and oversees St. John's efforts to reach out to the Emmaus community to help meet the needs in whatever way we as a church are able. You, the congregation continue to support the ministries we bring to you and are a vital part of this work.

On - going social ministry programs that St. John's continues to be involved in:

- ✓ Allentown Ecumenical Food Bank packing team and food collection.
- ✓ Produce Exchange - Congregation members bring in excess produce they have grown, and anyone can stop after services to select produce for a donation. The excess produce is taken to Groceries Plus, the food pantry at Bethel Bible Fellowship Church in Emmaus. The \$50 collected was split between the food pantry at Grace Lutheran Church and Behel Bible Fellowship Church.
- ✓ Groceries Plus at Bethel Bible Fellowship Church – Ongoing donations as requested.
- ✓ Bread for the World / Offering of Letters - BFTW is a nonpartisan Christian advocacy group that urges those who can make a difference, whether politically or personally, to maintain and hopefully increase funds to those in need here and abroad to help ensure food security. BFTW letter writing is done once or twice a year.
- ✓ Crop Walk - held October 26, 2025. Faith Drescher and the participants walked in Emmaus during the Sunday School hour. They raised a total of \$750.00 to help stop hunger.
- ✓ Angel Network - The Angel Network is a support system for families who reside in the East Penn School District. This fall we collected cans of tuna for their Thanksgiving food baskets.
- ✓ Lehigh Mission District Ingathering - scheduled for December 3, 2025, at our church. The Ingathering provides Christmas packages and gifts collected through the Lehigh Mission District Lutheran Churches to be given to institutions in the Lehigh Valley. The Outreach Committee coordinates and assists with the collection and distribution of gifts.
- ✓ Supporting the Military - The Outreach Committee has partnered with the Philadelphia Airport U.S.O. to collect items for use at their center. It is a welcome refuge from the stress of traveling, often to hostile areas. This is an ongoing project.
- ✓ St. Matthew's Clothes Closet - The Outreach Committee is asking the congregation to support this free and important service for our community. They accept gently used clothing items of any size and age on the first and third Saturday of the month from 10am to 1pm. If necessary, Outreach Committee members could assist with pick and drop off.
- ✓ The Conferences of Churches Back to School Drive – Items needed to start school were collected for children in need.

Current Outreach Committee members are Audra Berner, Debbie Yoder, Cheryl Kraemer, Faith Drescher, Pastor Timm and Martie Dech. We welcome anyone interested in helping on the Outreach Committee to join us on zoom the first Tuesday every three months at 7pm.

## **Allentown Area Ecumenical Food Bank (Outreach)**

It has been a trying time for the Food Bank in 2025. Federal food distribution cuts have drastically reduced their food supply:

### **FOOD SUPPLY COMPARISON**

Cereal - 75% decrease from 2024 to 2025

Cheese/Yogurt - 67% decrease from 2024 to 2025

Eggs - 41 % decrease from 2024 to 2025

USDA Foods - 36 % decrease from 2024 to 2025

Despite these deficits, the Food Bank, which is open 5 days a week, 52 weeks a year, serves 1,720 households and feeds 4,212 people monthly. They distribute almost one million pounds of food each year and provide 1.584 senior boxes annually.

THANK YOU to all the church members who donate goods to the Food Bank. The Food Bank would not exist without the help of the churches in the Lehigh Valley.

St. John's volunteers help at the Food Bank the third Monday and Tuesday of each month from 9:00 AM to 12:00 AM. If you are interested in seeing what we do, spend a morning with us! We provide transportation from the church. You can pick which day, Monday or Tuesday, that you want to volunteer. Call the church or Bob Cleaver at 610 533-8900 if interested.

Collection boxes for food donations are located in the church coat room.

Respectfully submitted,  
Bob Cleaver

## **Knitting for Charity**

Knitting for Charity ( KFC) is a group of women from St. John's Evangelical Lutheran Church, as well as several friends in the community, who knit crochet, loom and sew hats, scarves, lap robes and prayer shawls that we pass on to anyone in need of these items for the upcoming winter months. We meet for 2 hours 8 times per year at the church, but the bulk of our work is done independently at home.

We operate without a budget but applied for and received a Thrivent Action Team Grant for \$250 this year. The money was used to purchase yarn for our crafting members.

This year 32 hats, 87 hat & scarf sets, 30 scarves, 4 prayer shawls, and 8 lap robes were distributed to 8 different organizations. They include: East Penn Angel Network at Jefferson Elementary School, St. Matthew's Clothes Closet, Turning Point, Children's Home in Easton, Chemo Bag, Loads of Blessing and the Allentown Rescue Mission.

After learning of the need for blankets for the homeless, our group donated 15 blankets to the Loads of Blessing organization in December.

We are always appreciative of donated washable yarn and will teach any person interested in learning any of our homemade crafts. We hope to be able to make similar donations to these same organizations in the coming year.

Respectfully submitted,  
Judith M. Herb

## **Finance Committee**

The primary responsibility of the Finance Committee is to oversee the financial affairs of the church, including prompt payment of all obligations, monthly reporting of financial status to Church Council, preparation & presentation to Church Council of a proposed budget, & forwarding of all applicable monies to the Synod.

During 2025 we were able to complete several jobs which were previously placed aside due to the lack of both financial resources and people willing to commit to accomplish the work. But God was with us and brought forth individuals to assist with St. John's needs. Our average monthly income was \$17,250 & our average monthly expenses were \$19,400, which indicates regular giving did not increase as much as the normal expenses. But thanks to several generous members, we were able to pay our expenses, as well as complete much needed projects.

In October we finally began renting the vacant apartment after 18 months of no income. Many thanks to Dave Miller & Tim Ginder for providing free labor & donated materials to complete this project. The overall cost for the church was \$4,300. In October we also completed outside repairs to the apartment building at a cost of \$14,212. This amount included a discount & waived fees from the contractor. Many thanks to a church member who provided money to cover 100% of the cost.

In January 2025 we began to use \$1,000 per month as the start of paying back the roof loan of \$42,500. Thanks to all church members who have contributed to the roof fund. A total of \$34,402 was received between September 2024 – October 2025. At this time, we calculated the total monies we had & paid off the roof loan. In addition to the \$34,402 contributions received, we raised \$564 from the spaghetti dinner, used \$2,565 from the Dave Renninger bequest, & used \$5,000 of the budgeted monthly amount of \$1000.

St. John's was blessed with several people designating bequests to us upon their deaths. Amounts were \$3000, \$30,000 & \$129,000. The Finance Committee has recommended to keep \$33,000 in the current fund to assist with normal expenses and has invested the larger amount in a brokerage account for long-term growth.

Overall, it is our opinion that St. John's Church is in a very good financial position. In a time of need, the church family members respond generously. Last year we established a Dedicated Special Music Fund which received over \$1000. Without your donations, we would not have been able to enjoy the guest soloists/musicians who performed during the year. Each year we receive memorial contributions on behalf of deceased members. With these funds we were able to purchase items which were not considered in the past because people thought we did not have money to afford these items. Currently we are finalizing the purchase of a new projector & screen for the Parish Hall. We have already purchased new microphones for the choir loft and new computers for the church office.

In preparing the 2026 budget, the approach was taken that income would remain the same as 2025 & expenses would increase moderately. A raise was given to church staff upon the recommendation of Council & lawn maintenance will be higher since we have contracted with the provider to now include routine weeding & mulching with the service. In addition, we were able to reduce our insurance premium by \$6400 while receiving better coverage than last year. Again, thank you to all members of St. John's who continue to support our church as we move forward in our mission. Special thanks to Anna Galante & Rebecca Williams for their dedication in assisting with the financial records.

Respectfully submitted,  
Annette Roth, Finance Chair
